

Declaration of English Translation (For non-native English speaking origins only)

I confirm that all documents I have completed and provided (including but not limited to childcare and character references, medical report form, non-criminal certification, education and other supplementary documents) are translated by me from the original language into English. And I have translated them accurately, honestly and completely.

I understand that if the translation is found to be different from the original document, my application will be invalid. And it may result in a premature termination of the placement, agreement, and future reimbursement of finances paid by Aupairia and I will have to return home at my own expenses.

Au Pair Signature:

Date:

For official use:

My signature confirms that I have checked the translations of all documents and they are accurate.
